### Welcome to the Overtone Moon Edition of the Noos-letter!

The whole meaning of the Closing of the Great Cycle is that within this brief period of time lies the opportunity for a major spiritual awakening among all humankind.

-Jose Arguelles/Valum Votan

Welcome to the Overtone Peacock Moon of Radiance of the *Noos-letter of the Foundation for the Law of Time!* This is the fifth moon of the Planetary Service Wavespell.

The fifth tone (and fifth moon) represent the command tower of this 13-Moon Night/Abundance wavespell of the Rhythmic Wizard year. The fifth moon also represents the fifth force, which is the intelligence that operates at the center of every matrix of matter where the four forces are activated by the central fifth force. ### Star Traveler's Synchronicities

Overtone Peacock Moon of Radiance  
Moon 5 of 13 Moons  
(15 Nov - 12 Dec 2011)

In the Overtone Moon of Radiance we ask, "How can I best empower myself?" In the previous moons we've: (1) Identified our purpose; (2) Identified the challenges/obstacles to attaining that purpose; (3) Decided how we can best serve the greater whole through expressing our purpose; and (4) Determined the form that this service will take. Now in the Overtone Moon it is up to us to **empower ourselves** to set this vision into motion. It is completely up to you - for you are envisioning the NEW - this is NEW territory, and no one can make this happen except for YOU.
