

Welcome to the Magnetic Bat Moon of the Noos-letter!

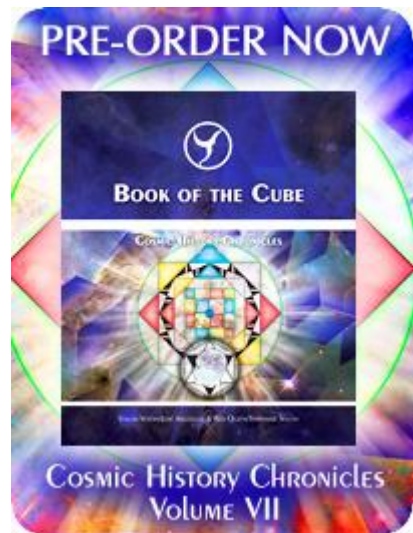

Happy New Year! Welcome to the White Rhythmic Wizard year. With this thirteenth noosletter, the White Wizard casts its spell of timeless receptivity, opening us to embody the highest magic on behalf of the whole earth. Now is the time to rise to your highest and become a co-creator in the reenchantment of the world!

In this first moon we set our intention for the next 13 moons. How can we best serve humanity and our planet during this time of tremendous change? How can we become luminously open portals so that we can be in touch, not only with vibrational frequencies of the phenomenal reality, but to the vibrational frequencies of higher-dimensional realities?

This year's affirmation is:

I organize in order to enchant

Balancing receptivity

I seal the output of timelessness

With the Rhythmic tone of equality

I am guided by my own power doubled.

We begin this year with seven essential points of the Law of Time:

1. We are living in the end of days, the end of the old time, the end of a great cycle of history. We have been living in the error of false 12:60 time, and that is the time that is coming to an end.

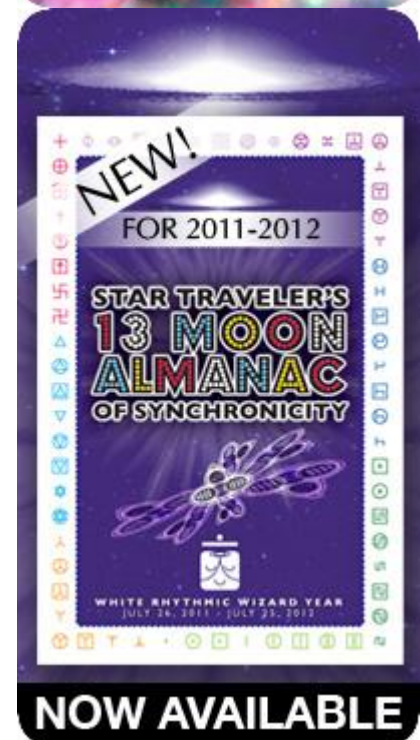

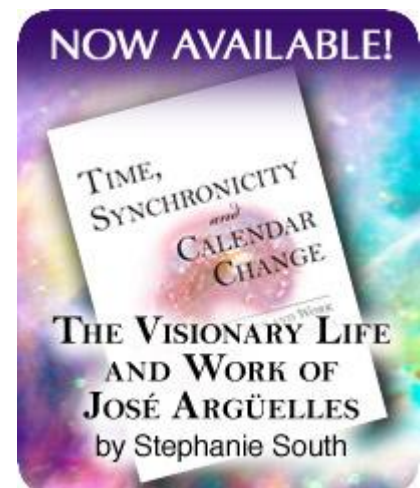

[\(12:60 – irregular 12-month calendar, artificial 60-minute mechanical hour\)](#)

2. On 21 December 2012, winter solstice, (summer solstice in the southern hemisphere), we pass out of the old time and into the new time. We are now being called to release old ways and prejudices that no longer serve the highest good. Be aware of the changes leading to that moment and be prepared for the Great Change.

3. The new time is measured by a perfect and perpetual harmony of thirteen 28-day months a year - [13 moons of peace](#). In the new time, time is no longer money - time is art. The new calendar synchronizes all lunar calendars, and any other calendar that is a true measure; it is a master synchronization matrix.

4. Time is art means that we enter a time of universal peace through culture, represented by the banner of peace. Instrument of an international peace pact, this banner signifies the unity of art, science and spirituality within the all-unifying circle of culture – One Earth One Time One People – the Banner of Peace.

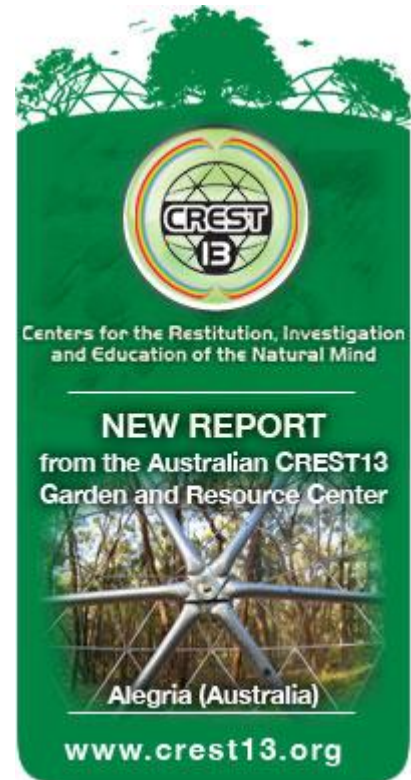

5. The best preparation for the new time is to think positive

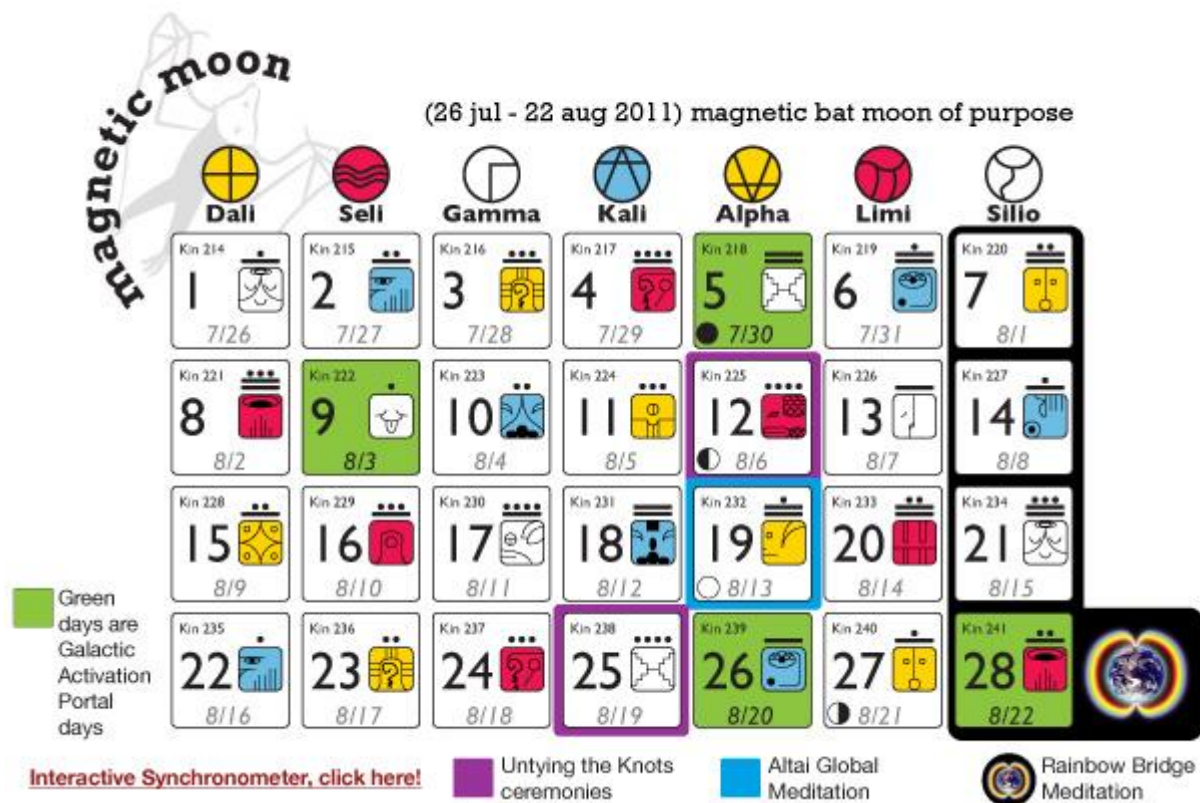

thoughts, to practice non-aggression, and to believe in the power of the human imagination to change the world. One simple image will accomplish this: Envision a [rainbow bridge](#) around the Earth from pole to pole. If enough of us do this, by 2012 it can be so!

6. The knowledge of the New Time is based on the prophecies of the ancient Mayan and Mexican people, and contained in the prophecy of the end the Fifth Sun of Movement and the coming Sixth Sun of Consciousness. Scientifically this is referred to as the [biosphere-noosphere transition](#) – a new era of evolution.

7. We are all returning to the greater order of cosmic existence: A new mind, a new consciousness, a new people, and a new way of life lived in synchronization with the cycles of universal time. In unity with God, at one with the Earth, in telepathic communion, we will all enjoy the experience of cosmic consciousness!

Moon at a Glance

Synchronicity follows a set of universal principles based on a mathematical matrix. This matrix is the primary structure that connects all events, people and reality as we know it. The more we tune into this matrix, the more we experience the synchronic order. This is the purpose of the 13 Moon, 28-day calendar. The following are some examples of how the synchronic order can be read on a day-to-day basis. If you are new to this please see the [13 Moon tutorial](#).

White Rhythmic Wizard Year

Magnetic Bat Moon of Purpose (Moon 1 of 13 Moons)

(25 Jul - 22 Aug 2011)

Magnet Bat Moon of Purpose

What is my purpose?

In the Magnetic Moon we ask ourselves: What is my purpose?
With some 500 days to go until the Closing of the Cycle - now is a great time to ask this question! The totem for the Magnetic Moon is the bat, whose sensitivity to sound vibration allows it to navigate accurately in pitch black. Tune into your highest dream and navigate fearlessly the stormy waters of our times - there is a bright horizon awaiting you!

Dali 1, Kin 214, White Rhythmic Wizard (26 Jul 2011)

Welcome to the first day of the year! Begin first 20-day vinal cycle, with the solar meditation: "The one who knows..." Today's radial plasma is Dali, which corresponds to the crown chakra and also opens the first of seven heptad gates. The seven heptad gates, located in the central axis of the brain, are activated by the daily plasma - one heptad gate per day for every week. To learn more about the heptad gates see [Book of the Transcendence, Cosmic History Chronicles Volume VI.](#)

New Moon and Galactic Activation Portal day. Good day to turn inward and reflect as the mind of Mother Earth, what is she receiving? What is she transmitting?

Today is also the galactic signature of the discovery of the tomb of Pacal Votan - note that soon after this tomb was discovered, the term "synchronicity" was coined by Carl Jung, and both the DNA double-helix and the Van Allen Radiation belts were discovered! See *Earth Ascending* by Jose Arguelles to learn of the intricate connection between the Tzolkin (synchronicity), the DNA and the Van Allen Radiation belts.
