

WAVESPELL OF THE RED DRAGON-05

POWER OF BIRTH

(From May 29 to June 10 of the year 2012 – Year of the Magician 6)

N S 1. 24. 11. 28. Silio. Gold. Mantra: HRAIM. Heart (Tuesday 5-29-2012)

RED MAGNETIC DRAGON – Kin 1 -Galactic Activation Gate.

DRAGON: Action: NURTURE. Power: BIRTH. Essence: BEING.

MAGNETIC: Action: ATTRACT. Power: UNIFY. Essence: PURPOSE.

The Magnetic Gate identifies the Purpose. Which is my goal?

There are 206 days left for the closure of the 12-21-2012 cycle. Today it is the beginning of a new Tzolkin in which we will be living the end of the cycle of 26.000 years, that is the time during which our solar system has been turning around the central Sun of the Pleiades, Alcyone; it is also the end of the 5.200 years Tun of the History of the Earth and a New Time – the Noosphere - will begin on 12-22-2012. It is the last day of the Spectral Moon of the Snake, and the Wavespell of the Red Dragon in the Red Castle East of the Turn stars today, Cut of the Birth: Start the Seed. (Read what is written in the Book of Instructions of the Enchanting of the Dream in <http://ondaencantada.com/wp-content/uploads/2012/01/encantamiento-libro-del-juego.pdf>, pages 8 to 13). With the Wavespell of the Dragon, the genesis of the dragon begins, as you read above. The Dragon is the first galactic Archetype, it is known as the Greatest Force, The Elder of the Days and under the name of “Galactatron”. The Dragon has three main qualities: **NURTURE, BIRTH, BEING**. Since it is the first seal of the 20 ones, it starts the process of birth and bring the memory to the human being. What does the Dragon bring us with these three qualities? Let’s see. Let’s begin with the action of **NURTURE**, what does it mean that the Dragon nurture us? What type of nurturing you provide us? How does it affect us the fact of receiving its food? Are we conscious of it? It is the right time to connect again with the initial purpose of the life on the Earth, we are human beings living experiences on earth to transform ourselves, by taking conscious that we are also and particularly spiritual human beings. Then, we become superconscious humans, and nurture the bodies since the moment of the birth, to grow up and develop, but at the same time, we must nurture the soul, by realizing we are human beings evolving. Because the most important goal is nurturing the inner part that leads us to recognize us as individuals, participating of a bigger unity. And that nurturing is completely different, if it is developed in our inner self, it takes part of the feeling, then the heart, the love and we take care and nurture what we need to evolve and get closer to the final goal of the evolutive process: the enlightenment of the human Being. The power is the **BIRTH**, since if we are not born as Human beings, it is impossible for us to advance in the evolution, we need these experiences. We were born, we are born and we will be born everytime each one of us needs it to become pure LOVE, that is the goal of the life on earth. And when we are born, with everything we have been, what we are right now and what we will be in the eternal present comes hidden within us. It is pure magic, it is incomprehensible for the human mind, but we recognize it is full of superior beauty and wisdom. We choose our environment, place, relatives, friends and experiences for the process we are going to live, and besides the Galactic Signature, according to the 13 Moon Calendar, we are going to live to fulfill with the list of purposes we have to face in each incarnation. All this joins us in the Birth, and we are the qualities of that solar seal and move the energy with the qualities of that galactic tone and act from the joining color, a perfect process, for example: the babies born today are RED MAGNETIC DRAGON, Kin 1, which is all what that galactic firm is supposed to mean. Therefore, all humans were born to fulfill the purposed goals, coming out from the ignorance to the knowledge, from the darkness to the light, from the fear to the love, from the envy to the charity, from the individuality to the universality, from my

inner self to our inner selves, until making just one united planet. In this way, we all Humans have lived by incarnating once and again, running up the steps in the stairs of the evolution in LOVE and light. We have had the privilege to be born at these moments so important of the end of the cycle and beginning of the new one. And the essence is the **BEING**. Because, there is something beyond the physical body in the Human. Something that is very subtle and if you are not paying the enough attention, it goes away. This is about all of us BEING energetic and intangible ones, living in the body, from the birth, which comes always within us. It is your Superior BEING, the highest part that connects you with the superior realities, with the Masters of Light, with the Angels, with the Stellar Beings, with God itself. We recognize our quality of spiritual beings to travel from the consciousness until arriving to the superconsciousness, where the knowledge and the psychic powers are manifested, and you do not need to say anybody else that you have them, however, these act in your presence. It is the time to turn to the **MEMORY** of the Dragon and recover all the knowledge that we have acquired throughout many lives, to know innerly what happened in previous civilizations, to feel and sense, to use the mind properly, adapting it soon, besides the 6 mental spheres (preconsciousness, subconsciousness, continuous consciousness, superconsciousness and subliminal consciousness) to the seventh one that is arising, the Holomental Percipient, the radial consciousness. ALL is inside, in our BEING, that comes to NURTURE the BIRTH here and now. There are many questions to ask after all this reasoning. Do I know who I really am? Do I identify myself with my Galactic Signature? Do I play the game of life with knowledge or move my cards without knowing the previous movements and without foreseeing the next ones? What about my connexion with the cosmic memory of the Dragon? Can I connect with my origins? **ABSOLUTELY ALL IS UP TO THE LEVEL OF CONSCIOUSNESS, OF THE DEVELOPMENT YOU ARE EXPERIENCING AND OF THE EVOLUTIVE MOMENT YOU ARE. IT IS A PERSONAL RECOGNITION, NOT POPULAR. YOUR INNER SELF IS THE KEY OF THE BIRTH PROCESS, BUT WE COUNT ON A BIG HELP, WE ARE BORN AND DIE WITH THE HELP OF THE WORLDBRIDGER, WE FEEL THE LOVE WITH THE DOG, AND SPECIALLY WITH THE SKYWALKER, WE EXPLORE THE WAYS BACK TO THE HEAVEN'S KINGDOM. FLY AS THE MYTHIC DRAGON AND, WITH THE FIRE THAT RELEASES, BURNS YOUR TIES TO RISE WITH IT IN ITS FLIGHT! I AM LIKE A MAGIC DRAGON THAT IS BORN ONCE AND AGAIN EVERY TIME MORE CONSCIOUS! SOON MY ASCENSION WILL BE TOTAL!**

MEDITATION OF THE CIRCUMPOLAR RAINBOW BRIDGE!

N S 1. 24. 12. 1. Dali. Onix. Mantra: OM. Crown (Wednesday 5-30-2012)

WHITE LUNAR WIND – Kin 2

WIND: Action: COMMUNICATE. Power: SPIRIT. Essence: BREATH.

LUNAR: Action: BALANCE. Power: POLARIZE. Essence: CHALLENGE.

The Lunar Chamber identifies the Challenge. Which are the obstacles?

There are 205 days left. Beginning of the Cristal Moon of the Rabbit of the Cooperation. Red Heptad 45: "The Meditation Evolves Sex". Remember that there is a Newsletter published by the Red Queen at the beginning of the new Cristal Moon. During the first 20 days of the Tzolkin, the number of kin coincides with the one of the Seal, Kin 2 White Lunar Wind and seal 2 white Wind. The Wind is the following in the creation order, after the Birth, the Being receives the Communication of the Breath of the Spirit. Since then, the human and spiritual qualities are united, in the duality, in the polarity, it is the challenge to experience throughout the lives and achieving the stability in each moment. If there are no changes and challenges, there is stagnation. Listen always to the Wind when it whispers incomprehensible sounds for the human ear but comprehensible ones for the Being. **LUNAR WIND, THE SPIRIT IS IDENTIFYING THE NECESSARY AND DISPOSABLE QUALITIES. ALL THE CREATION IS CONTAINED IN THE BREATH OF THE SPIRIT AND INTRODUCED IN EACH**

PLANETARY KIN! REMEMBER THAT YOU ARE A KIN WITH ALL THE GIFTS, AND YOUR ANCESTRAL MEMORY BRING THEM TO YOU THROUGH THE WIND! LISTEN TO IT! THE GREAT COMMUNICATOR OF YOUR SPIRIT!

N S 1. 24. 12. 2. Seli. Obsidian. Mantra: HRAM (Thursday 5-31-2012)

BLUE ELECTRIC NIGHT – Kin 3

NIGHT: Action: DREAM. Power: ABUNDANCE. Essence: INTUITION.

ELECTRIC: Action: LINK. Power: ACTIVATE. Essence: SERVICE.

The Electric Chamber identifies the service. How do we reach the goal?

There are 204 days left. Kin 3 Blue Electric Night, seal 3 blue Night. Today we activate the cosmic dream in us, and in the dreams we recover the memory of who we are and with the intuition we sense who we want to become. All is synchronized. When we join with other kins with the purpose of growing up together, it means a very good relationship of the earth's families, because when we live the same years, we recognize ourselves in many forms and behaviours. We are humans and we live in the Night, in its darkness we can sense ourselves just the way we really are, without colours nor added touches. **DREAM AND REMEMBER. FEEL WHO YOU REALLY ARE AND HOW YOU HAVE TO REPLY BEFORE THE FACTS OF LIFE. YOU ARE THE DREAMER THAT EXPECTS HIS DREAMS TO COME TRUE! DREAM ALL THE SPIRITUAL ACHIEVEMENTS YOU WISH AND YOU WILL MANIFEST THEM! GO ON! THE ABUNDANCE WILL FILL YOUR INTERESTS! THE DREAMS CAN ACTIVATE YOUR SERVICE RELATING THEM TO YOUR INTUITION!**

MEDITATION FOR UNTYING THE KNOTS!

N S 1. 24. 12. 3. Gama. Cristal. Mantra: HRAHA. Third Eye (Friday 6-1-2012)

YELLOW SELFEXISTING SEED – Kin 4

SEED: Action: HIT. Power: FLOWERING. Essence: ATTENTION.

SELFEXISTING: Action: MEASURE. Power: DEFINE. Essence: FORM.

The Selfexisting Chamber identifies the form. Which is the form of the action?

There are 203 days left. Kin 4 Yellow Selfexisting Seed and seal 4 yellow Seed. The form to activate the big dream, to connect with the communication of the purpose of the Dragon, is with the help of the consciousness and the flowering of the Seed. When we plant good purposes, spiritual plans, and we take care of the behaviour, words and actions, we must be very alert and look after them with care and attention, because there may be problems in the cultivation and the crop may fail. So it is very important we define and take the appropriate measures to obtain the fruits wanted, that will be treasures for us. **REMEMBER THAT THE ATTENTION AND THE CONSCIOUSNESS ARE NECESSARY TO DEVELOP YOUR ASPIRATIONS AND OBTAIN THE FRUITS WANTED OF EVOLUTION IN CONSCIOUSNESS AND SPIRITUAL DEVELOPMENT. I AM A SPECIAL SEED, I LOOK AFTER MY OWN CULTIVATION TO ACHIEVE THE FLOWERING AND GIVE THE COSMIC FRUITS WANTED! DO YOU WANT ONE OF MY FRUITS? THESE ARE GIFTS FOR OUR FRIENDS! I AM IN THE PERFECTION OF GOD, THEN I AM A PERFECT SEED!**

N S 1.24 12. 4 Kali.Silver. Mantra: HRIM Sacral (Saturday 6-2-2012)

RED OVERTONE SERPENT- Kin 5

SERPENT: Action: SURVIVE. Power: LIFE FORCE. Essence: INSTINCTS

OVERTONE: Action: COMAND Power: EMPOWER Essence: RADIANCE

The Overtone Tower takes charge. Gather resources.

There are 202 days left. Kin 5 Red Overtone Serpent and Seal 5 Red Serpent. With the Serpent we have our survival guaranteed, the life force, as we continue to evolve, will continue to grow. With

the Serpent, the first evolved brain happens, the one of the instincts, which is even today with us. When the evolutive consciousness was still at a very low level, the instincts were part of the daily process of life and saved us from many adversities. Today, life has changed. It is different; however, we still need the instincts to go ahead.

LIFE IS PURE SYNCHRONICITY, NOTHING IS SEPARATED, EVERYTHING IS UNITED AS ONE. SO, WE CAN CALL ON SERPENT. TO THE SERPENT INITIATED, TO ACHIEVE THE STEPS REQUIRED IN ORDER TO REACH THE HIGHEST VITAL FORCE AND EVOLUTIVE LEVELS. SHED YOUR SKIN! CHANGE YOUR OBJECTIVES! THE TIME WILL COME WHERE THE INSTINCTS WILL NOT BE NEEDED ANYMORE! WE WILL BE BEINGS OF SUPERIOR EVOLUTION!

TO THIS POINT, WE HAVE ESTABLISHED THE GALACTIC BASE OF ACTION

N S 1. 24. 12. 5. Alpha. Turquoise. Mantra: HRAUM. Throat (Sunday 6-3-2012)

WHITE RYTHMIC WORLDBRIDGER – Kin 6

WORLDBRIDGER: Action: EQUALIZE. Power: DEATH. Essence: OPPORTUNITY.

RYTHMIC: Action: BALANCE. Power: ORGANIZE. Essence: EQUALITY.

The Rhythmic Chamber rules equality. Administer the challenge.

There are 201 days left. Kin 6 White Rythmic Worldbringer and seal 6 White Worldbringer.

Here we complete the birth to death cycle, from 1 to 6. Birth to death, besides being a human process lived out by every human, is also a metaphoric process lived by our spirit when we are progressing and leaving behind the burdens of which we have spoken many times before. From the first birth, we have experienced much others, and to now, our consciousness is very open and reaching levels that have never been before reached by humans, as previously mentioned with the mental spheres. The radial consciousness of the Holomental percipient, in the noosphere, is the next step to live. **EVERY LIFE HAS ORGANIZED ITS OWN PROCESS WHICH BALANCES OUT FROM HIGHER DIMENSIONS WHEN WE ACHIEVE TO CONTACT WITH THEM. ELEVATE AS MUCH AS YOU CAN! THE WORLDBRIDGER WILL SHOW YOU OTHER DIMENSIONS OF LIGHT! YOU WILL WANT TO GO WITH THEM! SO, WE HAVE VERY GOOD NEWS, IT IS THAT IN FACT WE ARE INCREASINLGY GETTING CLOSER TO THEM! ACCELERATE YOUR CHANGE AND YOU WILL REACH ENLIGHTENMENT!**

N S 1. 24. 12. 6. Limi. Jade. Mantra: HRUM. Solar Plexus (Monday 6-4-2012)

BLUE RESONANT HAND - Kin 7

HAND: Action: KNOWING. Power: ACCOMPLISHMENT. Essence: HEALING.

RESONANT: Action: INSPIRE. Power: CHANNEL. Essence: ATTUNEMENT.

The Resonant Chamber rules attunement. Tune in service with action.

There are 200 days left. Kin 7 Blue Resonant Hand and Seal 7 Blue Hand. We channel all the knowledge that we need. Remember that ancient tribes where the shaman (he/she), the priest/priestess, the sorcerer/sorceress, the medicine man/medicine woman, the clairvoyant (he/she)....were the ones in charge of channeling in connection and inspired by the Earth, the Sun, the Moon, the Stars, the Higher Beings, the Nature Spirits, the gods created to have more faith in the environment and their surroundings, God...

Now, the highest inspiration and the most complete healing that we can do is inspiring us in our own Being, fulfilling the most appropriate actions of an evolved being.

There are 200 days left until the closure of the cycle, we need to heal the Earth and ourselves. **HOW WE CAN HELP THE EARTH TO HEAL? ARE MY ACTIONS HELPING IN ITS HEALING OR IN ITS**

DESTRUCTION? AND WITH MY EMOTIONS, DO I KNOW HOW TO LEAD AND INSPIRE MYSELF TO ATTUNE MY BEING? IN THESE TIMES, EVERYTHING IS HAPPENING INCREDIBLY FAST! ASK THE UNIVERSE WITH TOTAL FAITH, HELP YOURSELF THROUGH YOUR MEANS AND THE ANSWERS WILL BE PROVIDED! WE ARE DIVINE CREATURES IN PROCESS OF EVOLUTION AND CHANGE, LEARNING, IMPROVING, ASCENDING!!

N S 1. 24. 12. 7. Silio. Gold. Mantra: HRAIM. Heart (Tuesday 5-6-2012)

YELLOW GALACTIC STAR – Kin 8

STAR: Action: BEAUTIFY. Power: ELEGANCE. Essence: ART.

GALACTIC: Action: MODELING. Power: HARMONIZE. Essence: INTEGRITY.

The Galactic camera demands integrity. The action reaches the form.

There are 199 days left. Kin 8 yellow galactic Star and yellow Star seal 8. By the tone 8 we make a bridge between the end of the previous Tzolkin and the beginning of the next, as it is to brush up on the wave of the Star and remember that we have become artists, with our particular art on. To create, the artist uses his hands, and from there he moves them as needed to shape and harmonize. With elegance and beauty, the Human Being, walks to the New Era, leaving behind all their misunderstandings, sadness, grief, hatred, ego, envy ... and looking forward courageously experimenting TIME IS ART, whether in words, actions or artistic expressions. **WE ARE GREAT ARTISTS, ARCHITECTS OF THE EVOLUTION, THE HARMONY AND INTEGRITY OF EVERY MOVE THAT WE MAKE HERE AND NOW. OUR SHINING AS LIGHT BEINGS SHOULD BE BIGGER EVERY DAY AND NIGHT. HIGHLIGHTS IS FOUND IN THE BEAUTY OF THE SPIRIT! NOT IN THE BODY, THE FIRST ISSUSTAINABLE AND GROWING, THE SECOND, DECREASING AND EPHEMERAL! I WAS BORN IN THE STARS AND MODELLED BY ART!**

N S 1. 24. 12.8. Dali. Onix. Mantra: OM. Crown (Wednesday 06/06/2012) - TRANSIT OF VENUS

RED SOLAR MOON - Kin 9

Moon: Action: PURIFY. Power: UNIVERSAL WATER. Essence: FLOW.

SOLAR: Action: ENGAGE. Power: PULSES. Essence: INTENT.

The Solar Tower formalizes the action. Set action in motion.

There are 198 days left. Heptad white 46 "Meditation Evolves Death." Solar Moon Kin 9 red and 9 Red Moon label. How you may have noticed, all these days to the cosmic tone 13 double the numbers, we have today is 9.9, 9 and tone stamp solar moon 9 are synchronicities that we must seek. It is not just to see the seal and tone, but to go locating the different experiences that we live in the days of a particular label or tone, and see if we repeat. Because the 13 Moon calendar is a lively pulse, a continuous flow of energy, recognizing that we must go on. The Moon is the great purifier, and helps us heal the emotions that our being recognized as part of their work in this life.

WE ALL HAVE SOMETHING OF THE MOON, FOR THE PURIFICATION HEALING IS UNIVERSAL. VISIBLE WHEN IS A GREAT WHITE BALL, AND SEEMS TO HAVE OWN LIGHT. N S 1. 24. 12. 9. Seli. Obsidian. Mantra: HRAM. Root (Thursday 06/07/2012)

WHITE PLANETARY DOG - Kin 10

DOG: Action: LOVE. Power: HEART. Essence: LOYALTY.

PLANETARY: Action: PRODUCE Power: PERFECT. Essence: MANIFESTATION.

The Planetary Chamber manifests the challenge. The action and the challenge MEETS.

There are 197 days left. Kin 10 White Planetary Dog, White Dog and seal 10. The purpose of life on

earth right now is to make us masters of the Love of the Dog, so at the Dragon Wave, the Dog is

found in the manifestation and perfection. To nurture us, we need the LOVE, first and foremost to

ourselves, and then without doing anything special, it will expand to our environment and affecting

coming beings in the vicinity. And when we love, it means that our level of evolution, development

of self and consciousness has reached a really important point, and from it we are kin connected

with our cosmic memory BEING and gradually flow into our conscious mind. In the evolutive

process, the Dog refine the instincts and turn them into emotions, by the second brain evolution of

emotions. There must come a time, and should be very close, which we keep no grudge against

anyone, we know how to resolve fears, selfishness gives way to altruism, and sadness becomes

illusion. Also, it is **PERFECTION IN EVERY ACT TO SEE, EXPERIENCE, LIVING AND SITUATION.**

WHATEVER IT IS, SINCE IT IS THE EXPRESSION OF LIFE AT THAT TIME. IT IS NOT ABOUT WATCHING

THE HAPPYNESS IN ALL THINGS, BUT TO SEE THE EXPRESSION OF THE FREEDOM OF BEING IN

EVERY TIME. THE LOVE OF THE DOG HELPS HUMANS TO FEEL, AND WHEN THE FEELINGS OF LOVE

EMERGE, UF! WE FEEL LIKE WE ARE FLOATING, AS A BODY LIGHT-WEIGHTED CAN EXPERIENCE JOY

AND HAPPYNESS. LOVE OPENS DOORS! LOVE DEMOLISHES ALL BARRIERS! I AM LOVE! I AM THE

LOVE OF GOD!

N S 1. 24. 12. 10. Gama. Cristal. Mantra: HRAHA. Third Eye (Friday 6-8-2012)

BLUE SPECTRAL MONKEY – Kin 11

MONKEY: Action: PLAY. Power: MAGIC. Essence: ILLUSION.

SPECTRAL: Action: SPREAD. Power: DISSOLVE. Essence: RELEASE.

The Spectral Chamber releases the service. The action dissolves the service.

There are 196 days left. Kin 11 Blue Spectral Monkey and seal 11 Blue Monkey. Today is Kin 11.11,

and we remember José Argüelles-Valum Votan with LOVE, the one who closed the cycle, the

messenger of the Galactic Federation, the Tertön who decoded the thermae left by Pacal Votan in a

previous age, so VV would bring them to light at these times as a special help for the Humans at this

end of the cycle. And being challenged by the memory of the Dragon, the Monkey uses its magic to

spread the learnings that help the kins to find themselves and realize of what is really important.

There are some paths that are only illusion and turn us off the route to light, but let us remind that

the ones who walk them must do so, because that is part of their life experience and they need it to

develop and evolve. All is perfect! These were the last words of VV before transcending, and let it be.

We must add to this reflection that this is indeed a such way, but we are learning to have

continuous consciousness and we will experience with it the life in other form. **OBSERVE THAT WE**

ALSO CAN DISCOVER IN OUR INNER SELF THAT WE HAVE MORE QUALITIES AND STRENGTH THAN

WE THOUGHT WE DO. WE COUNT ON THAT TO RELEASE US OF WHAT KEEP US TRAPPED. AND WE

FLY WITH THE DRAGON THAT LEAD US TO NEW EXPERIENCES OF MAGIC. “ALL IS POSSIBLE” IN

THIS END OF THE CYCLE. YOU CAN ALREADY BE YOURSELF! YOU HAVE THE MAGIC WITH YOU TO

SOLVE YOUR PENDING ACCOUNTS! USE THE PSI BANK OF THE NOOSPHERE TO OBTAIN EACH DAY

THE INFORMATION STORED IN THE MEMORY OF THE KIN THAT RECOVERS IT! I AM A PLANETARY KIN! I HAVE A GALACTIC SIGNATURE THAT IDENTIFIES MYSELF! DO I IDENTIFY WITH IT?

N S 1. 24. 12. 11. Kali. Silver. Mantra: HRIM. Sacral (Saturday 6-9-2012)

YELLOW CRYSTAL HUMAN – Kin 12

HUMAN: Action: INFLUENCE. Power: FREE WILL. Essence: WISDOM.

CRYSTAL: Action: UNIVERSALIZE. Power: DEDICATE. Essence: COOPERATION.

The Crystal Chamber is the cooperation of the form. The round table gathers us together, the action of the past takes form, the future action is prepared. There are 195 days left. Kin 12 Yellow Crystal Human and seal 12 yellow Human. Day 12.12, Human seal 12, Crystal tone 12. Now more than ever, the Human of the cooperation is activated. Because we have to behave as a “planetary oneness” and that can only be reached when we unify our hearts, when the LOVE prevails over the selfishness and by living in a common unity, as long as the word “we” becomes more important than the word “I” and “mine”. God, with his endless wisdom, created the Man in his own image and likeness that means, with WISDOM to which we must personally invoke whenever we need to clear out some dark point of our behaviours, experiences, choices and actions in life. This is because the FREE WILL is UNIVERSAL and withing every single HUMAN BEING. We do not mean the external freedom that will always be depending on the level of evolution of the mankind, but the inner freedom that gives you the feeling that God created you, but you must walk your own path. Therefore, each 13 days we count on the CRISTAL REUNION of the PLANETARY KINS. It is a way to cooperate and share the experiences. If we believe in IN LAK'ECH, YOU ARE OTHER YOU!, all the experiences shall appear to be of great wisdom. The Dragon, by reaching this point of its wavespell, cooperates and helps the SELF to recover the memory it needs to accomplish its purposes in its way to the ascension. **DO YOU RECOGNIZE YOURSELF AS A WISE, HUMAN, COOPERATIVE, WITH COSMIC MEMORY, TAKING PART OF THE PLANETARY ONENESS? DO YOU RECOGNIZE YOURSELF AS A WISE HUMAN, COOPERATING WITH THE COSMIC MEMORY WHICH IS FORMING THE PLANETARY ONENESS? WE ALREADY KNOW HOW WE CAN INFLUENCE OUR SOCIAL AND ESPIRITUAL ENVIRONMENT, BUT CAN WE USE IT AS A LEARNING FORM INSTEAD OF A MANIPULATIVE ONE? DO I NURTURE MYSELF WITH REAL FREEDOM? DO I HAVE ANY KIND OF CODEPENCE EITHER WITH A GROUP OR WITH A PERSON? WE INFLUENCE EVERYONE AND EVERYBODY, BUT WE HAVE THE POWER TO DECIDE! YOU ARE THE OWNER OF YOUR FREEDOM! PUT IT IN PRACTICE!**

UNTIL HERE WE HAVE ESTABLISHED THE GALATIC BASE OF THE ACTION

N S 1. 24. 12. 12. Alfa. Turquoise. Mantra: HRAUM. Throat (Sunday 6-10-2012)

RED COSMIC SKYWALKER – Kin 13

SKYWALKER: Action: EXPLORE. Power: SPACE. Essence: VIGILANCE.

COSMIC: Action: TRASCENDING. Power: ENDURE. Essence: PRESENCE.

The Cosmic Gate takes the magic flight. Magnetic return.

There are 194 days left. Kin 13 Red Cosmic Skywalker and Seal 13 Red Skywalker. Day 13.13, seal Skywalker 13 and cosmic tone 13. Read “The 20 Powers of the 13 of Quetzalcóatl” (<http://ondaencantada.com/2012/05/los-20-poderes-del-13-de-quetzalcoatl>). Since the Human Being arrived in Earth in the Genesis of the Dragón, 5.200 years Tun, he/she has always looked up the Sky to ask for help. In each time, the prayers were up to the level of knowledge and consciousness of the time. In this way, we recognize we are HUMAN BEINGS AND AT THE SAME TIME WE ARE SKYWALKERS. We explore life after life, trying to discover the enduring, the

everlasting, what is truly important on an evolutive level. We have always kept watch on the space, expecting to find the presence of beings that live in other stars we see from the place where we are at magic nights and to receive help to evolve. And finally, that moment arrived. In the AFIC, the Cosmic Intergalactic Federal Assembly, they are ready to help the Humans at these moments of closure of the cycle and beginnings of the New Time. Because there is always a closure of a cycle, the next one starts, and in this case with a higher level of consciousness, the NOOSPHERE. So in these moments of history, the Dragon will be closer to the **COSMIC MEMORY AND WILL NURTURE US IN THE PRESENCE OF THE BEING, KEEPING WATCH ON THE EXTERNAL SPACE, SO WITH THE ENCHANTING OF THE DREAM, THE TRIP OF THE SPACESHIP OF THE EARTH TIME 2013 MAY BE MADE. THAT'S THE WAY THE FIRST WAVESPELL OF THE GENESIS OF THE DRAGON IS EXPERIENCED, NURTURING THE HUMANITY IN ITS BIRTH AND REBIRTH UNTIL FINISHING THE PERSONAL EVOLUTION OF THE LAST HUMAN ON EARTH. THE KIN 1 OF TZOLKIN, THE GREAT BEGINNER, ALWAYS JOINING US TO NURTURE US AND HELP US IN THE MEMORY THAT WE HAVE INSIDE AS SPIRITUAL BEINGS. LET'S INVOKE THE DRAGON'S MEMORY! LET'S ASK IT TO NURTURE US WITH VITAL STRENGTH, LOVE, PURIFICATION, MAGIC AND WISDOM! I AM A SKYWALKER IN SEARCH FOR THE TRUTH! I AM A PLANETARY KIN THAT LIVES EACH DAY THE 13 MOON CALENDAR AND I RECOGNIZE MYSELF IN ITS ENERGIES! I LIVE THE POWERS OF THE 13, 13 MOONS OF 28 DAYS MORE THE DAY OUT OF TIME! THE COSMIC SYNCHRONIZATION IS ACTIVATED! WE START WITH THE MAGIC FLIGHT AND WE ARE COSMICALLY TRANSPORTED INTO THE WAVESPELL OF THE WHITE MAGICIAN AND WE MAKE THE MAGNETIC RETURN.**
