WHITE MAGNETIC MIRROR – Kin 118

MIRROR: Action: REFLECT. Power: ENDLESSNESS. Essence: ORDER.

MAGNETIC: Action: ATTRACT. Power: UNITY. Essence: PURPOSE.

The Magnetic Gate identifies the Purpose. Which is my goal?

There are 89 days left for the closure of the 12-21-2012 cycle. We are still on the electric moon of the Service Deer, <http://ondaencantada.com/2012/09/noosboletin-de-la-luna-electrica-del-venado-del-servicio-no-28/>, from the Wavespell of the planetary service of the Red Skywalker. The last Wavespell of the Genesis of the Dragon, the number 10th of the Tzolkin, white to refine. Yesterday we began the 2nd initiation of the energy body of the Spectral Star, go to <http://ondaencantada.com/2011/04/las-tres-iniciaciones-auto-existentes/>. The Mirror on the galactic archetypes it's the Yogui-Yoguini, also known by the name of "Born by the Mind". Yogui-ni is the second portal of the Matrix on the Hunab Ku Court. Meditation is the power of knowledge of Hunab Ku. Yogui-ni is the emissary of knowledge of Hunab Ku. The qualities of the Mirror are: **REFLECT, ORDER AND ENDLESSNESS**. Its action is **REFLECT**, and, what is reflect? There is no need to define the word because everybody has seen their image in a mirror. What we see in front is the reflection of what we are at the moment. Nothing and nobody could change the direct image. Look at you, watch, see the expression of your face, do you recognize yourself? Do you like what you see? Are your eyes sad? Or they have a glimpse of live light? Do you notice something more than your figure? Do you look at yourself with hardness, love, condescension, fear, joy, sadness, decision, rejection..... And so far you see yourself that way. When we meet somebody for the first time, usually we want that person to like us, and we don't behave like the way we really are. We want the other people see our image, as perfect as possible. But if it is not real, if it is fictitious and artificial, soon our inner state shows up. Then we will be like always, with all the imperfections that we had and want to hide. The same happens in a relationship with somebody else. When looking at this person, if we could see what his soul reflects, we could feel his emotions; this would be as if he tells us from his voice. Because we cannot hide to the reality of who we are. For some intuitive persons, the others are like an open book when you can see everything. So, we just mislead ourselves, is it worth it? The power is **ENDLESSNESS**. When we put two mirrors in a right angle, and stand in front of them, the image reflects, and reflects, and reflects, until it gets lost. There is no end in the evolutive process. We will keep growing and evolving endlessly. Our mind cannot understand, because we live in the 3rd dimension, speaking about ascending to a superior dimension of conscience and light. But everything will come up, then what today looks unreachable and almost incomprehensible, tomorrow will be a firm reality. We can imagine the life like big mirror, where we see all the events that occur around us and the rest of the world reflected. Because they happen here and now, and there is no turning back. That means, everything is happening in the present moment and the right place, not in any other moment or place. And the essence is the **ORDER**. There is an order in all the Creation. The Stars are organized in the Sky, each one in its place. The trees on the Earth, with their necessary space. Every mountain on the right place. Every human being where they should be. There is a superior order with every event. God doesn't create by chance, but with a cosmic and divine order. Us, as an image and resemblance as Creation, we need to have order in our lives to keep going with conscience and evolve to superior states of being. The order, around us, helps the inner order to clarify the mind. Inside is outside and vice versa. In this moment we can make a personal exercise. We are in front of a mirror, if it's possible, full length. Put all the light to contemplate yourself and start the exercise. Study your body, from head to toes. You stop on each part of your body, and think how you accept it in your life. Remember in the day of Cristal Warrior, we received the initiation of the form of the body. And now we are in the body of the energy of the Spectral Star. It is a good moment for acceptance. But we have to go farther. What do I see beyond my body? Do I feel a spiritual being? Is my body tucked in or relaxed? Do I see God in myself? Is there any sensation at contemplating myself, of gentleness or hardness to myself? Have I forgiven my mistakes or I still carry them? We can make more questions to **RELEASE OURSELVES AND ACCEPT US THE WAY WE ARE**. One guide is **MEDITATION** that is another quality of the Mirror. Every type of meditation is

welcome. Everyone could choose one, but always remember the problems, thinking something else, getting asleep, the time goes by without meditation, thinking our problems, possible solutions, things to do or rest....."Meditation of the Natural or Galactica Mind", recommended by Valum Votan, helps us to stop the mind, as the start of any spiritual practice. Watch life like a succession of images in a Mirror. See Synchronogalactic Yoga <http://ondaencantada.com/2012/09/practicas-del-yoga-synchrogalactico-ingles/> . You know now, that what you see now in a particular way, at another moment, you can see so differently. **WHAT BOTHERS YOU FROM OTHERS COULD BE THE REFLECTION OF THINGS YOU DIDN'T RESOLVE. WE ARE ALL LEARNING. THE MIRROR IS THE FAITHFUL FRIEND THAT PUTS US IN THE RIGHT PLACE. IT DOESN'T MATTER THE OUTER ASPECT WE HAVE CHOSEN IN THIS LIFE, MAN OR WOMAN, FAT OR THIN, TALL OR SHORT, THE INTERESTING PART IS HOW WE LIVE. THE MIRROR IS LIKE THE ORACLE OF TRUTH, REFLECTS WITH NO EXPLANATION OR JUSTIFICATION, WE DO.! ACCEPT WHO YOU ARE! IMPROVE WHAT YOU CAN! YOUR SPIRITUAL IMAGE IS IMPROVABLE ALWAYS! BE HAPPY AND YOU WILL REFLECT HAPPINESS! CENTER YOUR LIFE IN GOD, AND YOU WILL REFLECT HIM IN LOVE!**

We are stabilizing from polarities. Doubts take us to introspection, to the final decision. **NOBODY DECIDES FOR ME! MY ENERGY IS POWERFUL AND HELPS ME TO OVERCOME CHALLENGES! I POLARISE, IN ORDER TO STABILISE MYSELF IN A DIFFERENT LEVEL OF CONSCIENCE! I AM A WONDERFUL STORM!**

IT LIVES INSIDE YOU AND IT COMES OUT WHEN YOU ACT WITH DIVINE WISDOM! THE SERVICE IS BEING AS FLASHLIGHT, ABLE TO ENLIGHTEN FROM WHERE WE ARE GOING WITH THE COLOURS OF OUR AURA! WHITE OVERTONE WIND – Kin 122 - Mystic Column

WARRIOR: Action: QUESTION. Power: INTELLIGENCE. Essence: FEARLESSNESS.

OVERTONE: Action: COMMAND. Power: EMPOWER. Essence: RADIANCE.

The Overtone Tower takes Charge. It gathers the resources.

There are 85 days left. There are 85 days left. Heptada 10 white, "Purification transmits Love". The Wind helps us to communicate with our spirit. Today is the day to take the command of our lives, with personal decisions. How do I communicate with my being? Do I give enough time to recognize that I am an evolved spirit and learning to love? The power comes from inside from the breath of our relationship with God.

MANY TIMES EVEN SPEAKING THE SAME LANGUAGE WE DO NOT COMMUNICATE. WHAT IS THE FLAW? DO WE LISTEN RESPECTFULLY THE OPINIONS OF THE OTHERS? THAT DOES NOT MEAN IT BELONGS TO US BUT IT ENRICHENS OURSELVES TO LISTEN TO DIFFERENT POINTS OF VIEW. THERE ARE AS MANY WAYS AS PEOPLE! TO RESPECT MYSELF I DO HAVE TO RESPECT THE OTHERS!

SO FAR WE HAVE ESTABLISHED THE GALACTIC BASE FOR ACTION!

The Rhythmic Chamber, rules equality. It administers challenge.

There are 84 days left. The balance we will reach in the Mirror's wave, with the Night, dreaming and using the intuition to live in abundance. We were taught that abundance is money and objects but we know that it is not true. It has to reach a moment in which richness has to be interior and this will lead us to the exterior fullness. Dream what you want to achieve and it is possible that one day become true. **WE ARE INTUITIVE BEINGS SINCE WE WERE BORN! DO YOU BELIEVE IT? IT IS JUST A MATTER TO HAVE FAITH AND WE ARE GOING TO ACCESS TO THAT RICHNESS! IN DREAMS ALL BECOMES A SPECIAL REALITY! LIVE YOUR SPIRITUAL DREAMS AND BE GRATEFUL FOR HAVING THEM!**

Of course this is the part of the Seed. Each of us blossoms and becomes in what we have planned with harmony and inspiration, looking for we want to reap. We gather the Seed and we canalize what we really need to be the most beautiful flowers from God's Garden on Earth. **DO YOU PERCEIVE YOUR ODOUR? HAVE YOU EVER SMELLED ANY SPECIAL ODOUR FROM PEOPLE OR PLACES THAT ANYBODY SMELLS? HOW DO YOU INTERPRET IT? WE ARE SEEDS OF GOD! HAVE WE SHARED THE FRUITS OR HAVE WE HIDDEN THE SEEDS IN ORDER NOT TO SPOIL THEM WITHOUT USING THEM? ALL OF THEM ARE DIVINE GIFTS AND ARE THERE FOR THE USE OF HUMANS! RECOGNIZE YOURS! USE IT WISELY!**

GALACTIC: Action: MODEL. Power: HARMONIZE. Essence: INTEGRITY.

Galactic Chamber, it orders the Integrity. The action reaches the form.

There are 82 days left. There are 82 days left. We have to do a revision for 13 days of the Snake's wave and see how we have lived and the proposed purposes. Have we accomplished it? Also we can ask, Do I live by what I believe? Am I consistent with my life? Do I use the vital force correctly? How I live and survive with harmony and love or with bad temper and sadness? The integrity touches our door with the Snake to allow the reflection of lives that we carry on you the Magic Mirror. **TELL ME MAGIC MIRROR; DO I TAKE THE GOOD PATH? AM I A HARMONIC PERSON? AM I PROUD OR HUMBLE? DO I ENVY OTHERS FOR KNOWING MORE OR I HAVE LEARNT TO SURVIVE FROM THE SPIRIT WITH WHAT I GOT AND I KNEW? DO I LIKE TO BOAST ABOUT MY PRIVATE ACCOMPLISHMENTS IN PUBLIC? DO I USE MY VITAL FORCE TO HELP OTHERS? WE HAVE TO REFLECT UPON THESE ISSUES THAT TOUCH OUR INTEGRITY!**

SOLAR: Action: REALIZE. Power: PULSE. Essence: INTENTION.

The Solar Tower formalizes the action. The action puts itself in movement.

There are 81 days left. There are 81 days left. We have reached the Solar Tower with the Wolrdbridger from here to realise the purpose of the Mirror. Special moments to choose wisely and quickly, with the intention to know ourselves in order to be able to connect with other realities. The superior worlds of light have beings to connect humans mind to mind. In this telepathy connection, we receive guidelines and messages to put in practice in our lives. We can be talked about many things bit the important is to be in the same vibration wave to be able to listen and interpreted their words. We live the death in the third dimension as something tragic and irreversible. From our beliefs in others' lives, we can live differently with more harmony. And every time that life puts us through sudden changes unexpectedly is because we are being prepared to our day of definite transit. **THE BELIEFS MAKE OUR DESTITY FROM THESE DEEPEN OUR FEARS OR HOPES IN RELATION TO DEATH AND TRANSITION. BELIEVE WHAT YOU BELIEVE IT IS PERFECT! EVERY ONE OF US HAVE A PERSONAL PATH AND MANY TIMES WE DO NOT HAVE CONNECTIONS POINTS WITH PEOPLE THAT SURROUND US! WE ARE EQUAL BUT WE EXIST IN DIFFERENT MOMENTS AND VIBRATIONS!**

THIS IS AS FAR AS THE SOLAR WIDENING OF RHYTHM OF ACTION GOES.

BLUE PLANETARY HAND – Kin 127 - Mystic Column

HAND: Action: KNOW. Power: ACCOMPLISHMENT. Essence: HEALING.

PLANETARY: Action: PRODUCE. Power: PERFECT. Essence: MANIFESTATION.

The Planetary Chamber, manifest the challenge. The action and the challenge meet each other.

There are 80 days left. There are 81 days left. Have you observed how quickly days go by? Do we have enough time in the 80 days left for the closure of this cycle to learn everything we need? What is it we have to do? What is it we have to heal? Let us remember the film "Travel around the world in 80 days". In it, we are the main characters, with the purpose of reaching our inner world by doing, producing and making perfect our own knowledge. Today, kin 127 + 80 days left = 207 days of Crystal Blue Hand, 12-20-2012 Blue Hand. The hand, with its qualities, is the ally of the Mirror for this magic journey. We are living unique moments; therefore we cannot waste them or get ourselves lost by being the main characters in other films with important objectives. Whenever we have doubts about possible reactions about a particular issue, we can go to the magic Mirror and wonder what is the answer that heals my inner child. Is this helping to raise my vibration? Do I need to meditate more? In which way do I occupy my time? Do I count on the help of guide special beings to help others? Do I do it or do I disentangle myself? Am I happy with whatever I do every day? Do I enjoy getting closer to people with a higher vibration than mine in order to receive the expansion of their energy in my being? What kind of energy do I release when I get into a rage? Am I doing something for the planet? Do I pray for all the human beings? **THERE ARE SO MANY THINGS WE CAN DO! THE MOMENT HAS ARRIVED TO START WORKING AT BUILDING OUR INNER WORLD! IF OUR TRAVELLING MATE NEEDS OUR HELP, LET'S GO AHEAD, WE CAN HELP HIM! IN WHICH WAY? BY GIVING HIM OR HER EACH ONE OF US OUR SPECIAL QUALITIES, FOR SURE WE KNOW THEM AND WE ARE GETTING ON TO KNOW THEM! GOD'S HAND IS IN OUR HANDS! LET'S USE OUR OWN WITH LOVE AND WISDOM BECAUSE GOD WILL BE IN THEM!**

YELLOW SPECTRAL STAR – Kin 128 - Mystic Column

STAR: Action: BEAUTIFY. Power: ELEGANCE. Essence: ART.

SPECTRAL: Action: RELEASE. Power: DISSOLVE. Essence: LIBERATION.

The Spectral Chamber, releasing of the service. The action dissolves the service.

There are 79 days left. Today is the end of the second Initiation of the Energetic Body of the Spectral Star. This is the body of energy, the body which is the function of our combined senses. We have to understand that all our organs of the senses create an inner body of energy and the combination of the different sensorial experiences we have – if we keep ourselves in consciousness- creates an “inner energetic body”- Valum Votan-. It is a day in which art is in the air. We are all artists, we are fit to propagate what we are, releasing energy from our being. If life lacks art, it has got little to recommend itself. If, on the contrary, is impregnated by it, everything takes a different aspect, shinier and more splendid. Let us not waste the chance of releasing the artist within ourselves; it is part of the journey we mentioned yesterday. Energies allow us to move, expressing ourselves through our senses. But there is more, in this journey towards our inner world, senses are going to be high-lightened and we shall perceive more and more every day. **HAVE FAITH IN YOURSELF! YOU CAN BE THE ARTIST YOU ALWAYS DREAMED TO BE! JUST LET GO OF YOURSELF AND EXPERIMENT! WHICH IS YOUR ART? GO AHEAD AND MAKE IT! YOU DON'T NEED TO REACH PERFECTION BUT TO LIVE IT WHILE YOU CREATE IT! YOU DON'T NEED TO EXHIBIT IT! EVERYTHING CAN STAY IN YOUR INNER WORLD, WITHOUT TRASCENDING OUTWARDLY! DISSOLVE AND DIVULGATE ELEGANTLY! IF YOU HAVE ANYTHING TO SHARE, SHARE IT! GOD SHARES EVERYTHING WITH US!**

RED CRISTAL MOON – Kin 129 - Mystic Column – Harmonic 33

MOON: Action: PURIFY. Power: UNIVERSAL Water. Essence: FLOW.

CRISTAL: Action: UNIVERSALIZE. Power: DEDICATE. Essence: COOPERATION.

The Crystal Chamber, cooperation of the form. The round table is set, the past action is formalized, and the future action gets ready.

There are 78 days left. Blue 11 Heptade, The Spirit evolves Magic. Today is the start of the 3rd and last Initiation of the Bio Telepathist Moon Non egotist- solar Human's Birth. It happens in Harmonic 33, the one with 4 central seals of Tzolkin, and ends up in moon Human kin 132. <http://ondaencantada.com/wp-content/uploads/2011/12/Tzolkin.pdf>. It is the day of the Moon, the crystal purification to become Mirror. Everything is told in the crystal reunion coordinated by the Portal Family: Moon, Wizard, Seed and Storm. What we share every time has to do with emotions and situations lived in the 13 days and in the way we have gone through this learning -The mirror has an objective of reflecting order. Have I achieved this by purifying and letting myself flow in different aspects of my life? Am I lighter in my step, reacting better to life? What do I need in order to be happy? What don't I need to be happy? These days before the closure of the cycle are special to share the law of time, the arrival of Noosphere, the study of Synchronotron, good for reading, understanding, practicing the various reports left to us by Valum Votan, also those given to us by the red Queen since Valum Votan is no longer here. They are a great help to those of us who believe that something new is coming, that we have to manifest the Circumpolar Rainbow as a start to a different way of seeing and living life. The beings from the stars are our allies in our objective for this change of vibration for the Earth and its inhabitants. **EVERYTHING IS PERFECT! THOSE WERE THE LAST WORDS VALUM VOLTAN SAID TO THE RED QUEEN WHEN HE WAS TRASCENDING INTO THE OTHER PHASE! ALSO EVERYTHING IS PERFECT IN OUR LIVES, HOWEVER WE MUST INSIST ON RISING THAT PERFECTION! THOSE BEINGS FROM THE STARS ARE HELPING US! THROUGH MEDITATION WE CAN PERCEIVE THEIR SIGNALS AND MESSAGES! PREPARATION FOR THAT IS WITHIN OUR INNER WORLD!**

WE HAVE DONE THE PLANETARY TRANSFORMATION FOR THE ACTION.

WHITE COSMIC DOG – Kin 130 - Mystic Column – Harmonic 33

DOG: Action: LOVE. Power: HEART. Essence: LOYALTY.

COSMIC: Action: TRANSCEND. Power: ENDURE. Essence: PRESENCE.

The Cosmic Portal takes the magic flight. It is the Magnetic return.

There are 77 days left. Kin 130 placed in the centre of Tzolkin, White cosmic dog, ending of the Mirror Wavespell. We need love to transcend everything we have lived, without its leaving any emotional trace.

The large hearted Dog is helping us with that. The first commandment that Jesus the Christ gave us was:

Love God above all things and your brother as you love yourself” Here comes our personal thinking: Do I truly love myself? Do I give my best spiritually to myself at every moment? It is not about self centering, but

about love with humbleness and divine presence. Do I love the God that inhabits in my inner self? Do I recognize him and feel His vibration and the energy within my being? Do I love other humans besides my

friends and family? How often do I tell my brother that I love him? Do I know love further than the earthly feeling? In Infiniteness, is there endless love? What does one feel experimenting it? Is it possible to reach

this supreme attitude? Do I see myself in others? Do I make the Mayan greeting “In lak’ech-I am another you” my own? Or do I want to identify myself with some people only? Do I love everybody and everything

from my heart? Do I admit that Lifting in consciousness is infinite? The final exam will be soon here. Will we be ready to belong to the new Time? What happened to Ego? Let us remember that we are in the four Key

days to become a Bio Moon Human (who lives in Earth, solar, Telepathist (who has mastered telepathy), non egotist (without ego). It a wholesome process in which we have to use our most elevated attention

altogether with our most continued conscience. Today in the 20 powers of the 13 of Quetzalcoatl it is the 10th stage: it reaches the cosmic power of love. <http://ondaencantada.com/wp-content/uploads/2012/05/Los-20-Poderes-del-13-de-Quetzalc%C3%B3atl.pdf>.

EVERYDAY WHEN WE WAKE UP OR WE GO TO SLEEP, DEPENDING ON EACH INDIVIDUAL, WE COULD LOOK AT OURSELVES ON A

MIRROR AND SAY, HOW BEAUTIFUL I AM! I AM THE BEST THING THAT HAS HAPPENED TO ME! I FEEL

ALIVE! I GREET GOD INSIDE ME! WILL YOU JOIN ME AND HELP ME LIFTING MY SPIRIT! ALLOW ME TO SEE

MY OBJECTIVES TO REACH OUT FOR THEM SO I CAN GET LIFTED AND CLOSER TO YOU!

¡FIN DE LA GÉNESIS DEL DRAGÓN!

AND FROM HERE WE GO COSMICLY TO THE WAVESPELL OF THE BLUE MONKEY AND WE MAKE THE MAGNETIC RETURN.
