BLUE MAGNETIC MONKEY – Kin 131 - Mystic Column-Harmonic 33

MONKEY: Action: PLAY. Power: MAGIC. Essence: ILLUSION.

MAGNETIC: Action: ATTRACT. Power: UNITY. Essence: PURPOSE.

The Magnetic Gate identifies the purpose. Which is my goal?

There are 76 days left for the closure of the 12-21-2012 cycle. Beginning of the Genesis of the Monkey, that lasts 6 Wavespells, $6 \times 13 = 78$ days, that means, the last 76 days before the end of the cycle, there are in the Genesis of the Monkey <http://ondaencantada.com/wp-content/uploads/2012/01/encantamiento-libro-del-juego.pdf> We are still on the Electric Moon of the Service Deer, see <http://ondaencantada.com/2012/09/noosboletin-de-la-luna-electrica-del-venado-del-servicio-no-28/>. We

are in the 131 kin, on the mystic column, center of the Tzolkin and harmonic 33, magnetic blue Monkey. Wavespell number 11, Blue Monkey, of transformation. On the galactic Archetypes the Monkey is the Illusionist, the Lord of the Game, Architect of the Form, and known by the name of the "The Blue Alchemist". The Illusionist is the Third Door of Power in the Court of the Prophet. Magic is the beginning of the prophecy. The Monkey has three qualities: **PLAY, MAGIC AND ILLUSION**. We'll see first the action of **PLAY**. What can we understand for play? What is the game of the Monkey? How can I tune in to him? Everybody remembers when we were little the different forms of play we had, some amused us, some were boring, even scared us. But to keep up with our friends, we pretended they were perfect. Subsequently this is still happening in our lives. Even in situations where we don't agree, we keep quiet and we bend down our heads, accepting the unacceptable. So, the years go by, and we forget the wonderful games we used to play, that made us happy. Why can't we feel again like that? What game can we play and be happy again? It's easy, we have to "always play according to your heart rules". Those rules make you feel great, make you over your inner child, allow you to play with other people, make you recognize that the important thing is to play not to win, make you conscious which counters you have to move. Which are those counters? For everyone the positive qualities that every person keeps in touch with his inner self. This in particular is the game of life, with love, and enjoyment of life. The power is **MAGIC**. If at the game we add the magic, everything will be wonderful. The magic is in every act of life, in every situation we live, in every decision we make. If we can enter and live with conscience every detail, we will know they are full of magic. Some events take us to another, a person connects us with others, a lecture opens a register, a friend makes us feel fulfilled. And all this is part of the magic of every moment. With the Monkey, the seriousness evaporates, the sadness fades away, and the fear disappears, joy and optimism just prevailing. What we can't get today, tomorrow we will, in the meantime I am happy. And the essence is the **ILLUSION**. For some reason the galactic archetype is the illusionist, the one who changes the forms, the one who shows us scenes that appear impossible, the one who shows objects and make them disappear before our eyes. If this is in the external level, what can occur? Everyone has gone through situations inside themselves that seemed impossible. Remember the Monkey-illusionist and juggle with life. If something doesn't flow, get out of that game. If you don't enjoy certain companies and reunions, say good bye to that game. If we don't like our partners of play, we can change the counters. Everything is possible if we set an intention. The Monkey transports us to the world of numbers and teaches us to see them with identity. The Monkey teach us the numbers of the spiral of Fibonacci, like the base of life in the planet, and cosmos (video of mathematics auras <http://youtube/ml5QFOgAlqE>) Valum Votan, Monkey 11, teach us the Synchronotron, the numbers of mathematics 2,7,21 like the base of the matrix 441 of 21×22 (see more in Synchronotron, <http://ondaencantada.com/category/synchronotron/>). All in nature and also inside us is based on numbers, but we can't see this. The game of life is different for each planetary kin, we all participate, but with different rules. Now, at the end of this cycle, the rules must be love, wisdom, magic, light, evolution of the conscience and all that elevate us. Every one of us plays with our own rules, accepting or denying the others' rules. The magic depends in how we live the circumstances we have to live. Nobody can play in your place. **LIVE IS A**

WONDERFUL AND ROUGH GAME. THE ILLUSIONS MAKE US SEE WHERE THERE IS NOTHING TO SEE, AND THEN WE MISS THE ANSWERS. CALL THE MONKEY TO SHARE YOUR EXPERIENCES! DO I SMILE LIKE A KID? AM I HAPPY LIKE A MONKEY? WHAT DO I ASK FROM LIFE? WHAT KIND OF JOKES DOES THE MONKEY PLAY? ARE WE MATHEMATIC MONKEYS? ARE WE FUN? THE NUMBER 11 IS THE KEY TO THE MYSTIC FREQUENCY! I AM A MONKEY WITH NO EGO! I ACCEPT THE GAMES OF MY LIFE! CAN WE PLAY TO REACH THE LOVE OF GOD? YES!!!!

The Monkey's magic is defined for the enchanting of the Magician. Both tell us that EVERYTHING IS POSSIBLE that we can reach the continuous conscience because we are beings with a great psychic that we have to start to pull out and use. **WITH THE HELP OF THE CRYSTALS, WE CAN DO TEMPORAL CONNECTIONS WITH THE CEREMONIAL MAGIC. The Overtone Tower takes Charge. It gathers the resources.

There are 72 days left. The Eagle with its magic flight and its vision gives us the possibility to take the power to create from a free mind of concepts and prejudices. Nothing is more beautiful than seeing from a birch tree everything that is happening, from above, and like Monkeys and Eagles. From that position nothing is the same. We can be split up from emotions and yet get inside those feelings. Thank both because together they give us the base to transform after the Storm. **DO I LET MYSELF SEE WHAT IS GOING ON WITHOUT ANY EMOTIONAL IMPLICATIONS? DO I FREE MYSELF FROM STRINGS GOING UP ON THE TREE OF LIFE AND SEE MY LIFE AS A SPECTATOR OF IT? WHAT HAPPENS THEN? I AM NOT TO IMPLY MYSELF EMOTIONALLY SO I CAN DECIDE WITH CLARITY! BY BEING DETACHED FROM EMOTIONS WE CREATE WITH THE SUPERIOR MIND!**

He needs to feel that God has created all the human beings as equals and for that reason, we have to help each other. Look around and observe beyond the external appearance, all of us are divine sparks. **SOCIETY LIVES UNBALANCED. THE NATIONS HAVE DIFFERENT FORMS TO COMMAND. But we know that this is not true, that it’s magic that gives life to all the living organisms and elemental nature. **SOON THE ELEMENTARY WILL BE SEEN BY SELECTED PEOPLE WITH THE PSYCHIC QUALITIES AWAKENED. YOU CAN BE ONE OF THOSE IF YOU ARE PREPARED. HOW? BEING MORE CONSCIUOS OF YOUR ACTIONS AND REACTIONS TOWARDS LIFE. WHAT IS IMPORTANT IS HOW YOU LIVE THE FACTS THAT LIFE PUTS YOU THROUGH! Do I see the light when I see myself in the Mirror? What happened when I meditate and I find myself facing my inner being like in a Mirror? There is a superior order that it only manifests itself when the inferior is anchored in life. Do I realize that the superior order is more visible in the moments of more consciousness of who am I and why am I in this moment on Earth? **WE MUST REMEMBER THAT WITHOUT INTENTION OF IMPROVING IT IS HARD TO ACHIEVE CHANGES. LOOK AT YOURSELF ONCE IN AWHILE IN FRONT OF THE MIRROR AND ASK YOURSELF IF YOU REFLECT ALL THE LIGHT THAT YOU ARE CAPABLE OF GIVING! SMILE! HOW MUCH JOY!**

Part of it gets into the outer layers, and it reaches the human beings. How does it manifest in ourselves? Through the information transmitted by these plasmas. FROM HERE UNTIL THE 12-21-2012 MANY SOLAR STORMS WILL TAKE PLACE. THEY WILL CAUSE SOUTHERN AND NORTHERN LIGHTS SO INTENSE THAT THE CIRCUMPOLAR OF THE RAINBOW BRIDGE WILL BE VISIBLE. YELLOW PLANETARY SUN – Kin 140 – Mystic Column

SUN: Action: ENLIGHTEN. Power: UNIVERSAL FIRE. Essence: LIFE.

PLANETARY: Action: PRODUCE. Power: PERFECT. Essence: MANIFESTATION.

The Planetary Chamber manifests the challenge. The action and the challenge meet each other.

There are 67 days left. Today, the 20 days in which the kins are in the mystic column are over. These 20 days are reflecting in everything and in everybody. The Monkey has surely taught us to live these days in merriment and harmony. From the time we see the Sun spreading its beams of light on the planet, everything is clearer and its light gives us so much peace. When we manifest ourselves as divine children, looking for the universal fire’s light, the situations that life puts us through are magic moments in which we have to make a decision. With the Sun, enlightment sets up, and aren’t that precisely what those of us following the spiritual path want to reach? Nothing and nobody can order your spiritual life about. The may influence the external way in which you manifest yourself, but never in your inner path. The Sun is lighting upon us magically, so that we can see the mirages illusions for what they are, they look real and in many an occasion we go after them. Before acting, let’s breathe deeply and question ourselves, would the most elevated being I have as a role model in my life, react like that? Would it manifest so much rage or remain impassive? It may even send love to this person or situation? **WE ARE AT AN IMPORTANT MOMENT OF THE EVOLUTIVE PROCESS. IF WE**

BELIEVE IN THE TEACHINGS OF THE GREATER BEINGS, ALL IMPORTANT THINGS TAKE PLACE IN OUR INTERIOR. EXTERNAL REACTIONS ARE THE FRUIT OF OUR CONSCIENCE GROWTH AND THE NEWLY REACHED VIBRATION! SHOW YOUR LIGHT AND LOVE IN EVERY PLACE YOU GO TO! EVEN IF THE OTHERS CAN'T SEE IT, YOU KNOW IT!

N S 1. 25. 3. 27. Limi. Jade. Mantra: HRUM. Solar Plexus (Tuesday 10-16-2012)

RED ESPECTRAL DRAGON – Kin 141

DRAGON: Action: NURTURE. Power: BIRTH. Essence: BEING.

SPECTRAL: Action: RELEASE. Power: DISSOLVE. Essence: LIBERATION.

The Spectral Chamber, releasing of the service. The action dissolves the service.

There are 66 days left. The Harmonic Line nº 8 are starting, with the spectral Dragon, in the Monkey Wavespell. When we are born we bring many kept memories that we cannot always recover. The Dragon is the original energy of the birth for the being and its duty is to nourish us. All through our life we take steps. At the beginning we learnt from our environment, from the way our parents and close relatives behave and react. We attempt to get and keep our qualities and the way we are, sometimes it is achieved, at other times they are crushed, denied. In this way, when we are grown up, it is possible that many actions, decisions, jobs; behaviors... have nothing in common with our original being. The spectral tone influences this helping us to think about what is genuine in us and what we have adopted from the environment. Get inside yourself and play the game of getting to know your person. Remember who you are and what your objectives in this life are. There is nothing as important as to recuperate the memories of Who am I? What is my mission? Do I do what I believe in or do I do as the others expect me to? Can I start taking a turning point in my life? Will I be able to free myself dissolving what is not needed? And to share with others what helps me to remember? AT A CERTAIN AGE THE OTHERS' OPINION ABOUT WHAT WE DO OR WE DON'T DO DOESN'T MATTER. WE MUST REACH SPIRITUAL INDEPENDENCE, FOLLOW THE PATH THAT RESOUNDS WITHIN OURSELVES. THIS IS HOW WE LEARN BY TRIAL AND MISTAKE, GETTING WHERE WE WANT TO GET STEP BY STEP! DRAGON, NURTURE MY BEING IN ORDER TO MERGE WITH MY SPIRIT. BRING MEMORIES OF WHO I AM AND TAKE AWAY THOSE OF WHO I AM NOT

N S 1. 25. 3. 28. Silio. Gold. Mantra: HRAIM. Heart (Wednesday 10-17-2012)

WHITE CRISTAL WIND – Kin 142

WIND: Action: COMMUNICATE. Power: SPIRIT. Essence: BREATH.

CRISTAL: Action. UNIVERSALIZE. Power: DEDICATE. Essence: COOPERATION.

The Crystal Chamber, cooperation of the form. The round table is set, the past action is formalized, and the future action gets ready.

There are 65 days left. The day of the crystal meeting on the Monkey Wavespell, it comes with the Wind, communicating from the spirit to the inner child that we all have inside ourselves. When we are confused and want to live isolated, without being able to share our beliefs and emotions, the moment comes when we believe that we are always "in the right". Then, when meeting with other people and talking about spiritual and materialistic subjects we are not used to other opinions, different from ours and so what happens? Two things may occur. Either, I realize my mistake and from that moment I try to be more social with people. Or, the worst that may happen is that I have become an intolerant person and refuse to listen to opinions other than mine; and even if I listen I won't take them seriously, since I don't value them, since I believe that only my opinion is worth. All of that besides the fact that I am right or not. Well, it's not the way of things. You may be right today and I may be right tomorrow. Such is life. Then, let's listened to the spirit's breath. Let's share in the crystal meeting our way of seeing life, at the same time as we pay attention to what the others have to say. Because life is evolution, and communication is important in this process. WITH JOY I DECIDE TO LISTEN TO OTHER PEOPLE'S OPINIONS REGARDING THOSE BELIEFS I CONSIDER UNQUESTIONABLE. AFTER THAT, I CAN DECIDE IF WHAT I HAVE LISTENED TO IS ANY GOOD, IN ORDER TO WALK WITH A LIGHTER STEP. THE INNER VOICE IS TALKING, SAME AS WHEN WE WERE KIDS! TO LISTEN IN SILENCE IS TO LISTEN TO THE SPIRIT!

CIRCUMPOLAR MEDITATION OF THE RAINBOW BRIDGE! <http://ondaencantada.com/wp-content/uploads/2011/05/Meditaci%C3%B3n-Arco-Iris-Circumpolar.pdf>

BLUE COSMIC NIGHT – Kin 143

NIGHT: Action: DREAM. Power: ABUNDANCE. Essence: INTUITION.

COSMIC: Action: TRANSCEND. Power: ENDURE. Essence: PRESENCE.

The Cosmic Portal takes the magic flight. It is the Magnetic return.

There are 64 days left. There are 64 days left. This is the beginning of the self existent Moon of the Owl of the Form. "THE POWER OF Prophecy evolves the power of Intelligence". See Bulletin of Noosphere in the Red Queen in www.ondaencantada.com. 13th Heptade. "The Spirit evolves Prophecy". In the Wavespell of the Planetary Service of this year we get into the Moon of the Self existent Warrior. <http://ondaencantada.com/wp-content/uploads/2011/12/Onda-Encantada-del-Servicio-Planetario.jpg>,

located in the right wrist joint in human body. Today the Wavespell of the Monkey is finished and the Self Existent Moon of the Form of the Owl starts. Night transcends the Monkey. Dreaming, the dream is a reality of Superior states of Conscience. The Monkey is a connexion with every human being's innocence. When we have reached the reality of Magic, we dream it in the Endless Night, where we all the dimensions join together in our Night dreams. Everything is possible when our dreams transport us to unknown places by unusual means of transport, flying, walking on and under the waters, or in vehicles that don't exist in our present reality. And all of that, for "what purpose"? Is there any point? This is how we realise that there is plenty of life, beings, vehicles... which even if they aren't in our material reality, they can be found in the energetic, spiritual and cosmic reality. There are 64 days left for the closure of the cycle and 64 is the number of codons in human DNA. It is important to relate the numbers with the facts and circumstances that surround us, since they give us clues. Soon, our most inspiring dreams can become a reality. Meanwhile, let us work on the changes of the Darkest Night of the soul so we can rise on the New Day full of love and free of ties. Dream, work out your intuition when it comes without being afraid of showing it to others. Ask God for His abundance of life to flood your being. WE ARE PLAYING THE LAST CARDS IN THESE CLOSE TIMES BEFORE THE CLOSURE OF THE CYCLE. NOW IS THE TIME WHEN WE HAVE TO GO OVER OUR LIFE, USING THE MAGIC OF THE MONKEY IN ORDER TO DO IT WITH ENJOYMENT AND TOLERANCE. WE MUST REMOVE THE MAKE UP LAYERS WE HAVE LAID ON OURSELVES TO HIDE FROM SOME RESPONSIBILITIES! NONE CAN HIDE YOU FROM YOURSELF! GO ON FORWARD, LOVE, PRAY, BELIEVE IN GOD, WAIT FOR THE ARRIVAL OF NOOSPHERE HELPING THOSE WHO NEED IT! YOU ARE A PLANETARY KIN! VISUALISE THE RAINBOW BRIDGE ON EARTH AND ON YOUR PERSON!

AND FROM HERE WE GO COSMICLY TO THE WAVESPELL OF THE YELLOW SEED AND WE MAKE THE MAGNETIC RETURN.
